

DESIGN STUDIO

Innovative Strategies to Solve Your Sustainability Challenge

CURRICULUM SNAPSHOT

Design Studio guides students through a creative problem-solving process as they invent innovative solutions to specific sustainability challenges, such as reducing campus energy consumption, improving public transportation, or increasing community access to healthy food.

Design Studio includes:

- ✓ **40 interactive lessons** developed using inquiry-based learning and design-thinking methods
- ✓ **A comprehensive teacher's guide** that includes vocabulary, suggested resources, and student portfolios
- ✓ **Activity templates and examples** for easy classroom use
